Thank you for ordering custom Lego minifig(s).

For each minifig, please provide the information requested below to my email: Wendi@Thirdbellontheright.com and put in the subject line "minifig order."

The price is \$14 per Lego Minifig. Baby with carrier is considered one Lego Minifig. Hair is not available on babies. Add \$1.50 per Minifig for me to add an eyebolt to make into an ornament. Add \$1 per Minifig for nylon bag.

Within a week I will provide you with a mockup for you to approve or change. This is dependent upon my stock. I will do my best to have them ready and shipped within 10 days to 2 weeks.

Special requests may require an additional fee. We will discuss it before I put them together for you.

Minifig ornaments will have an eyebolt drilled into the hair of the minifig and require a ribbon to hang from a tree. No parts will be glued together.
